Forecast For Orkney & Shetland
Issued by Met Office Aberdeen
at 1600 on Friday 28 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Bright spells, best in the west. Haar extensive at times.

This Evening and Tonight:
Some late sunshine, most widespread across Shetland and perhaps western Orkney. Otherwise, low cloud and haar will become extensive across Orkney, extending into Shetland later in the night. Light and variable winds. Minimum temperature 6 deg C (43 deg F).

Saturday:
A dry day with extensive low cloud and haar at first. However, some bright or sunny spells developing on the west side of both Orkney and Shetland. Light winds. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
Plenty of low cloud and haar on Sunday but sun breaking through in sheltered western areas. More sunshine on Monday and Tuesday, but still a haar risk over Shetland. Warm.
